MATERIALS AND FINISHINGS

All our furniture is constructed to the highest standard using only the finest materials sourced from recognised and trusted quality suppliers.

LEATHER

Only the best luxurious genuine leather is used on our furniture. Select from top grain, single-tone, hand-rubbed and pull-up leathers.

SOLID WOOD FRAME

Frames are made of solid wood to ensure strength, stability and durability. For additional security and to prevent movement, arms are reinforced with a solid 'L' brace. We offer a ten-year warranty as standard.

SEATING

A sprung back and seat, with layers of foam in varying densities and hand-tufted bench seats.

FEET

Enhanced with antique-styled feet to match the sofa, feet are beautifully proportioned and made of only top quality materials. This range comes with optional brass castors.

PACKAGING

Within a strong, recyclable 5-ply cardboard box, we wrap each sofa in a breathable fabric bag. The unique 'shoe-box' design with reinforced corners provides additional protection.
